

The Marin Organic Glean Team in full celebration of our harvest at Star Route Farms last Monday.

● Intern with the Marin Organic Glean Team!

Create the solution. Become the change. All are welcome to apply.

Marin Organic is offering two six-month internship opportunities (8 hours per week) to help coordinate the Organic School Lunch and Gleaning Program and the Marin Organic Glean Team. Parents, students, and community members are equally encouraged to apply. Please contact Scott@MarinOrganic.org by Monday July 19th to apply for this special opportunity.

● Join the Marin Organic Glean Team!

Become part of the solution today.

If you haven't yet joined the Glean Team and you'd like to continue receiving our weekly invitations, please join the Marin Organic Glean Team today simply by contacting Scott@MarinOrganic.org. Thank you.

On Monday afternoons, the Marin Organic Glean Team harvests extra foods from the fields of Marin Organic farms for the Organic School Lunch and Gleaning Program, enabling kids throughout Marin to eat local organic foods at summer camps, schools and community centers.

Come meet your local farmers. Get your hands dirty. Join in the fun!

Join us Monday, July 19th, from 4:00 pm to 6:00 pm.
